### Public program

### 16:00 - 17:00 PM

Lighting talk: policy making and youth engagement experiences

*Talk coordinated by Andrea Calori, Researcher and Partner, Està - Economia e Sostenibilità Research Centre*

Young people are invading the squares all over the world to raise attention on climate change and our cities are more and more becoming a laboratory for new innovative collaborations between activists and institutions on food and climate policies. How can our cities dialogue with young people to create a more sustainable future? A roundtable with policy makers aimed at finding possible answers to this challenging question.

- Filippo Gavazzeni, Head of the Milan Urban Food Policy Pact (MUFP)

- Cristina Sossan, Officer, Food Policy, Municipality of Milan

- Caterina Sarfatti, Programme Director, Inclusive Climate Action, C40 Cities - a global network of mayors taking urgent action to confront the climate crisis

- Stefania Amato, Food Systems Senior Manager, C40 Cities - a global network of mayors taking urgent action to confront the climate crisis

Presentation of the call for sub-granting addressed to local authorities coordinated by Valeria Fantini, Project Manager at ALDA within the Food Wave project
